

What Pastors across America are saying about The Jubilee Gang

Pastor Dennis Duirg, Children's Pastor Living Word Church in Dayton, Ohio:

The Jubilee Gang is an exciting, Multi-media children's ministry that ministers in a way that keeps children on the edge of their seats. Jerry Moyer and the Jubilee Gang are on the very cutting edge of children's ministry, and I would highly recommend them to minister to the adults and children in your congregation.

Pastor Josh Payne , Pastor at Victory Church in Troy, PA

We were pleased to host the Jubilee Gang for our Back to School Blast Sunday morning main event. The excellence of this ministry begins when the door of their trailer drops. Everything had a place and there was a place for everything. Jubilee Gang is a far cry from a rag tag hodge podge of antiquated Sunday School style entertainment. The Jubilee Gang provided Victory Church with a meaningful ministry experience that still has our children and adults alike talking about the impartation they received months after the event. The Moyers have spared no expense in there investment using equipment that is cutting edge and will engage young and old alike as Jerry delivers Gods timeless truth. Jerry's message is anointed and uncompromising. His in your face style is not only what the youth of this generation need but it's what they want. Young to old and everyone in between will be encouraged and inspired to not only follow but chase after Jesus Christ.

Frank Trezoglou Children's Pastor Christian Life Assembly in Columbia, SC

Jerry and his team did an outstanding Job at a four-day crusade here at Christian Life. The children responded to their ministry in an extremely positive way and were encouraged in their own personal walks with Jesus. I would highly recommend this Team to come to your Church and work with your children and adults..

Pastor Jeff Schlemmer Family Pastor at Vertical Church in West Haven, CT

Jubilee Gang is a fast paced, multi-media explosion! Jerry and Candy Moyer have a huge heart to see all children reached for Jesus Christ! They have run a four day children's conference for us on several occasions and been a true blessing to our church and children. Easy to work with and highly organized they come in and hit the ground running. With Jubilee Gang you get a lot of bang for your buck! Their stage production is second to none and a great value compared to other ministries we reviewed. Jerry and Candy pull out all the stops! Their productions utilize interactive games, objects lesson, skits, sound effects, videos, lighting and an amazing guest puppet "Wild Thing" all of which create an awesome atmosphere to minister to kids! Their range of teaching topics is broad and always fresh. The Moyers teach the Word of God in a simple, clear, accurate way that kids get it! I have seen firsthand and through following their ministry that they are effective ministers of the Gospel. Their presentation of salvation is God-filled and wherever they share children are moved to receive Christ. It is my pleasure to recommend Jerry and Candy Moyer to you I am confident that they will effectively communicate Christ to kids and lives will be changed!

Mike Dsane, Children's Pastor Crossroads Cathedral 1st Assembly of God of Oklahoma City, OK

The Jubilee Gang's time of ministry at our church was incredible. Because our church is made up of such a diversity of people, it is difficult to meet the cultural needs of everyone in the congregation. When a group of inner city students walked in and experienced the ministry of the Jubilee Gang, they showed more excitement than I had ever seen out of them in a church service. Their ministry broke every distinction whether it was age, race, or denomination. Students went home excited not only excited by the event, but also the decision they had made for Christ.

Dianne Sheeley, Associate Pastor to Children Stillmeadow Church of the Nazarene in York, PA

Our families and kids are still talking about the awesome ministry event last year. What a creative and exciting way to show kids God's love and their need of a savior, Jesus Christ. We are having a great time discipling the many boys and girls that were saved when the Jubilee Gang came to Stillmeadow Church of the Nazarene in York, PA.

Geri Grieb, Children's Director at New Beginning Christian Center in Portland, OR

We were so blessed to have Jubilee Gang minister at our church! Our families loved the fun faith filled multi-media ministry. It also gave our children's ministry team a vision of how to reach the children of our city. With ease and excellence Jubilee Gang is busy about our Father's business, bringing souls into the Kingdom of God!

Pastor Dan Leiker, River of Life Christian Center in Urbana, Ohio:
Jerry worked for us as children's pastor and help implement and trained our workers to reach and raise up this next generation. He has a sincere and hungry heart to minister to children every where, and is loaded with great ideas that are guaranteed to change your children into world changers. I highly recommend the Jubilee Gang to you and your children's ministry. It will be a great blessing to you and your church.

Pam Majors Children's Pastor Evangel Assembly of God
Wichita, Kansas:

What a blessing The Jubilee Gang was to our church families, kids, and to our community. We were privileged to host The Jubilee gang in for a three night kids event and saw over 56 children respond to the altar with 26 making first time decisions. Weeks following the event we are still receiving thank you's and compliments from parents. Jubilee Gang is extremely professional and definitely ministry minded. Our time with Jerry and The Jubilee Gang was refreshing and uplifting for both young and old alike. We are already talking about scheduling them again for an upcoming event. Jerry and his team are compassionate, relevant and people of integrity. This is one ministry that will bless your church!

Pastor Joe Cameneti, Believers Christian Fellowship in Warren, Ohio:
The Jubilee Gang has been a great blessing in our church! We used them in a six day camp meeting. They held the children's attention, built excitement in them, and ministered to their spirits, soul, and body at the same time. I highly recommend them as a ministry that will bless the churches they go to.

Pastor Mark DiGirolamo Children's Pastor Visalia First Assembly
of God: Visalia, CA

I have had the opportunity to have Jerry and his ministry team at our church on two occasions. The latest was Easter 2006 where they ministered to over 700 kids and adults. Their ministry is Bible based, high energy and full of multimedia that will help any child to remain attentive and alert to hear the message presented. I would not hesitate to have The Jubilee Gang minister to the children of my church. We saw kids at each of our services accept the invitation to be prayed for at the altar. They are great to work with and have a great attitude towards ministry.

Rich Maus, Minister of Children Cornerstone Church in Toledo, OH
I have found Mr. Moyer and his team are excellent to work with. Our kids really enjoyed their ministry, and I appreciated their heart to minister to kids. Jerry has really done his homework with a great set design, excellent multi-media presentation, and a fast paced program that captures both kids and adults attention. The Jubilee Gang was excellent to work with..

You did such an outstanding job. We are so happy that we had 74 kids respond for salvation that week! We know there will be many eternal results from the time that you spent here with us!

Jamey Bowles Children's Pastor at Bethel Assembly of God in
Duncan, OK

The Jubilee Gang did an awesome job of ministering here! Our KidZone Invasion consisted of a 3-day Kids Crusade Events at our church and 2 elementary school assemblies which reach approximately 1600 students. Teachers, principals, and the school superintendent of schools were all thrilled with the "Gang's" ability to bring a positive life message to the kids with such fun and excitement.

The Crusade at the church was awesome! Kids and adults alike were ministered to through the games, story telling, puppets, and light show. The "Gang's" excitement draws the kids into the event, and their heart for the kids and ministry combine to make an event where kid's lives can and will be changed by the power of God. We had 40-50 kids respond to give their lives to Jesus!

I would wholeheartedly recommend them for any ministry event you might be planning. Their versatility, humility, and heart for God and kids make them one of the best ministries I have worked with!

Pastor Randy Brummitt Lead Pastor First Assembly of God
Collierville, TN

What a blessing it was to have the Jubilee Gang with us this week! It was undoubtedly one of the greatest family / kids crusade events that I have hosted in 20 plus years of pastoral ministry! We look forward to scheduling Them again soon!

Mark Williams Children's Pastor at Life Fellowship in Weatherford, OK

Our pastor's wife was teaching a Wednesday night class and a mom was helping. The mom brought in her form that we have everyone fill out before they help in children's church. Pastor's wife looked at the form and saw that the mom got saved in October and asked her about it.

The mom's two kids came to the crusade and heard about being born again. The boy came to the front to pray. (That's awesome at that) That night when they got home, they told their mom about being born again and the mom got saved in her living room that night and has been faithful to church ever since.

Pastor Bob Trombi, Champions Church in Portland, OR:

There are not many traveling Children's Ministers that have so much to offer as the Jubilee Gang. Jerry Moyer is a talented and committed Christian who has a vision to reach children. He uses the most cutting edge equipment and visuals to keep their attention. Your children will love him and his ministry, and you will see your children's workers rise to a new level of excitement and commitment after experiencing his ministry.

Pastor Tony Watson, Manchester Church of the Nazarene in Manchester, OH

I would highly recommend the Jubilee Gang to any church that is interested in reaching kids for Christ. They know how to minister to young people. We had them for a one day crusade, and it was simply outstanding. We had over 70 young people accept Christ as the personal Savior. Their ministry presentation was dynamic with all the lights, sound, and videos; their conduct was of the highest Christian standard, and their equipment was the best I've ever seen. Consider them for your next "Big" children's event!

Rev. Tim Carpenter Children's Pastor Bethany World Prayer Center in Baton Rouge, LA

I am writing this letter for the purpose of recommending Jubilee Gang for an event at your church. Jerry and Candy Moyer have committed their lives to reaching kids with the powerful message of the Gospel.

We hosted the Jubilee Gang for a three day VBS July 2009 and the kids are still talking about the wonderfully fun and life changing experience.

When I think of the Jubilee Gang, I think of three reasons I would definitely have them back at our church.

1. A commitment to teaching and presenting the Word of God in a creative, fun way.

So many groups are very entertaining, but there is no ministry and the Word of God is a side issue that just goes with their program. Brother Jerry packs a lot of punch with his program. It's the Word and the Gospel that produces the fruit and makes lasting change. Kids got saved each night and still remember the fun characters, video and overall experience.

2. A commitment to a "spirit of excellence" in everything they do.

I appreciated so much that from the time they pulled in to the time they left, everything they did was portrayed with excellence. The program is well thought and prepared. I didn't have to worry about anything, because JG had a smooth running event. Brother Jerry and Candy are people of integrity and high moral character and that is evident when you meet them in person.

3. A commitment to the kids and families.

Brother Jerry has such a heart for kids and families that they love being around he and his wife, Candy. How could kids not love someone named Candy? She is a beautiful person and has such a heart for ministry that they won't quit until the last kid is prayed for or family ministered to. Every child feels special at a Jubilee Gang event!

These are just three reasons among so many that I highly recommend Jubilee Gang for your next church wide event! One night isn't enough to really experience Jubilee Gang to it's fullest.

Nothing Boring Here

Posted 26 September 2005

High-energy entertainment, Nickelodeon-style games, and a multimedia presentation to keep a crowd of over 400 elementary students spellbound - all this and more was part of Kids on the Move's special Wednesday night service on September 21st. The main attraction for the evening was the Jubilee Gang, a children's ministry based out of Ohio that has been touring the country and providing local churches with unforgettable fun for all ages to enjoy. From the sea of smiles in the audience to the countless kids held captive on the edge of their seats, it was obvious that "enjoy" is exactly what the KOTM crowd did.

Throughout the course of the evening, the Jubilee Gang delivered a sight-and-sound program full of powerful object lessons, hilarious puppet skits, and illustrated sermons, but it wasn't just a matter of fun and games. From the light shows and video clips to the goofy contests like a rubber chicken toss, kids were given a message loud and clear that learning about Jesus doesn't have to be boring. Thanks to our staff here at KOTM, that message is not a new one to the children of Church on the Move, and this event helped reinforce kid-friendly ministry in some particularly fun ways.

"The energy was high, and the light show was totally awesome. Kids had a lot of fun, and fifteen were born again," says Harold Davis, KOTM Elementary Pastor. After all was said and done and the last of the puppets and costumed characters had left the stage, an auditorium full of kids were able to walk away having had a wonderful night, and several were even able to take home a newfound relationship with Christ. What could be better than that? Well, after KOTM's recent special service, no one need wonder!
